[2026 Hamvention Award Winners announced](#)

Please join us in congratulating these very deserving winners.

[Hamvention](#)

[FT0 digital mode](#)

The next evolution in digital modes — featuring a 0-second sequence time.

[FT0](#)

[LinHT hardware documentation](#)

LinHT is an open-source handheld software-defined radio (SDR) transceiver built around a modern Linux System-on-Module and a true IQ RF front-end.

[M17 Foundation](#)

[HamDash](#)

Free and Open Source Ham Radio dashboard.

[HamDash](#)

[Ten watts to Spain. Ten watts to Germany. Ten watts to Austria](#)

The EFHW at 35 feet made all the difference.

[David Saylor](#)

[Alliance Amateur Radio Network](#)

Radio for those left out.

[AARN](#)

[Is the CIA using radio to instruct Iran agents? Listen for yourself](#)

An amateur sleuth thinks ghostly broadcasts are a revival of Cold War 'numbers stations.'

[The Times](#)

[DXtra FCC radio database explorer](#)

We have computed Longley-Rice coverage maps for the entire US, Canada, UK and European fleets of FM stations. Also we have computed VOACAP coverage maps for most of the world's HF.

[DXtra](#)

[Installing an M17 Reflector on a cloud server](#)

I document what worked for me after more than half a dozen attempts to build a working system.

[EtherHam](#)

[Be gone pesky radials!](#)

One of the biggest bugbears of portable operations in a public space when using a vertical antenna is having to lay out radials.

[Ham Radio Outside the Box](#)

[MyHamStudyHub](#)

The complete study platform for FCC Technician, General, and Extra class amateur radio licenses. No cost.

[MyHamStudyHub](#)

[868MHz DX](#)

This is 139m above sea level, with a clear line of sight across the Irish Sea to Cumbria, the Isle of Man, and the Mourne Mountains in Northern Ireland.
